## Background

### Experience

#### Teaching Assistant

Florida State University

August 2009 – Present (6 years 10 months) | Tallahassee, Florida Area

Florida State  
University

I am a graduate student at Florida State University, working toward a Ph.D. in Scientific Computing. I have worked as a Teaching Assistant for courses in Web Design (2 semesters) and Java Programming (4 semesters). I am currently working as a TA for two courses in the Department of Scientific Computing (one graduate course and one undergraduate course) that cover computational methods.

#### Warehouse Manager

Advanced Industrial Products

July 2007 – July 2009 (2 years 1 month) | Lexington, Kentucky Area

Responsibilities included shipping and receiving, order fulfillment, loading/unloading freight, and inventory management.

#### Resident Assistant

Asbury College

August 2005 – May 2007 (1 year 10 months) | Wilmore, Kentucky

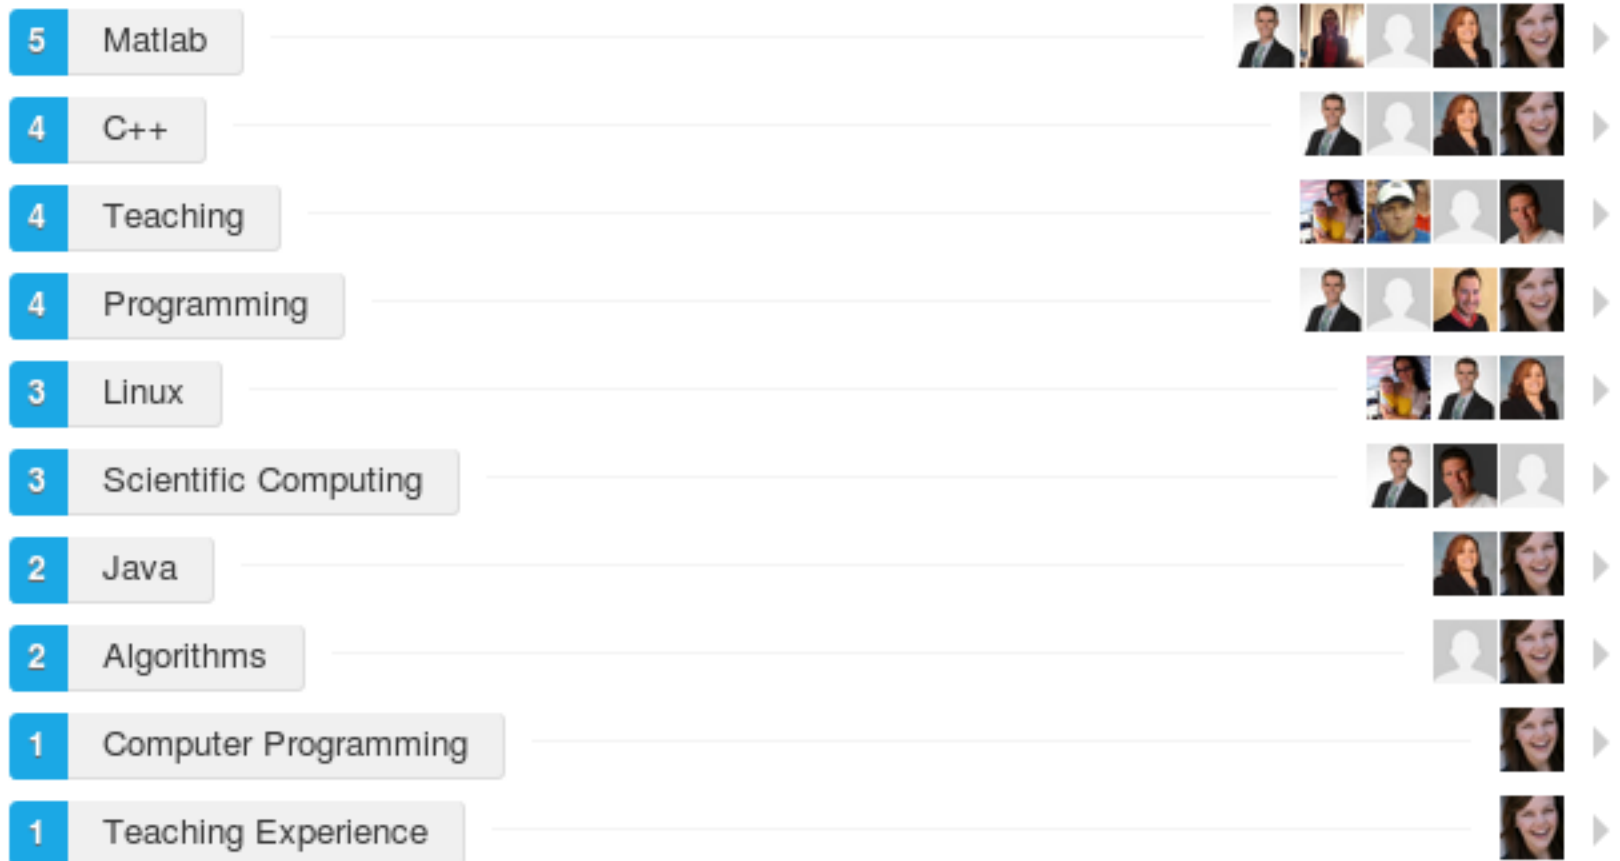

As a Resident Assistant at Asbury College (now Asbury University), I was responsible for approximately 20-25 residents. My efforts improved the experience of residents by organizing events for residents, dealing with disciplinary issues, and being available to help with emergencies and ensure security in the building.
