About Us

A World of Testing Services and More

At GLI, our mission is to provide world-class testing, certification and professional services to the global gaming industry, and to accomplish our mission with the highest levels of independence and integrity.

Our clients are gaming regulators, suppliers and operators in jurisdictions all over the world, more than 475 in all. We help to ensure the integrity of the gaming industry, and we are proud to say that for more than 25 years regulators, suppliers and operators the world over have come to trust GLI.

We have established an incomparable team of professionals to test and certify equipment, including mathematicians, hardware and software engineers, compliance engineers, system and communication engineers, high-tech engineers and quality assurance specialists. These highly trained, hand-picked experts deliver a level of service and expertise that cannot be matched by any other testing lab.

Beyond testing, we offer a wide range of professional services including consultation, auditing, field inspections, security audits, responsible gaming, **project management; Governance, Risk and Compliance, including World Lottery Association Security Control Standards (WLASCS) and ISO 27001 Information Security audit and certification; GLI University® training; and technical services.**
